

CLERK OF THE CIRCUIT COURT AND COMPTROLLER
David R. Ellspermann

May 15, 2015

To: Review/Selection Committee

I write to you on behalf of Joseph A Rispoli, and Rispoli & Associates Architecture, Inc. I have had the opportunity and pleasure to work with Mr. Rispoli (Joe) on county projects for the last several years. Most recently the projects have dealt with the Marion County Clerk's new Records Center building, Marion County Clerk's Annex building and the old Marion County Clerk's Courthouse renovations.

Joe is professional and consistent in producing an exceptional work product. He is adaptable and has always worked to do what is right. He has a "can do" attitude that continues throughout a project, not just during the RFP or quote process. He understands value engineering.

I consider this a privilege to be party of Joe's success as a professional and community member. I can be contacted at (352) 671-5603, if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Ellspermann", written in a cursive style.

David R. Ellspermann
Clerk of the Circuit Court and Comptroller
